

Reliable Drayage & Intermodal Solutions

At Momentum Freight, we understand the complexities of intermodal logistics. With extensive industry expertise, we ensure your freight moves seamlessly, avoiding costly delays that could impact your business. Our tailored drayage solutions provide **reliability, flexibility, and efficiency**.

Why Choose Momentum Freight?

COVERAGE ACROSS NORTH AMERICA

Access to over 500 drivers across Canada and the USA, specializing in Reefer, Hazmat, and B-Train drayage.

EXTENSIVE EQUIPMENT FLEET

More than 1,000 chassis of various sizes and weight capacities to accommodate diverse freight needs.

COMPREHENSIVE DRAYAGE NETWORK

Servicing major Canadian cities and U.S. port hubs, transporting containers between ports, rail yards, and final destinations.

FTL & LTL SERVICES

Ready to assist with full truckload (FTL) and less-than-truckload (LTL) shipments.

Seamless & Secure Cargo Movement

REAL-TIME TRACKING & SECURITY

GPS-equipped trucks and road cameras ensure visibility and safety.

PROACTIVE SHIPMENT MANAGEMENT

We trace your container, providing advance notifications on clearance and availability at ports or terminals.

END-TO-END HANDLING

From pickup to final delivery and empty return, we manage every step of the process.

INTERMODAL & TRANSLOADING SUPPORT

Shuttling between railroads, cross-docking, and transloading into dry van trailers or domestic containers.

Partner with Momentum Freight

Our team integrates seamlessly with your operating systems and reporting structures, providing reliable transport solutions tailored to your business needs. Whether moving cargo across Canada or through key U.S. port cities, we ensure efficient and cost-effective logistics.

Momentum Freight – Keeping Your Cargo Moving, On Time, Every Time.
